- Welcome rate applies to one treatment only.
- The full amount must be paid before insemination (for AI), before oocyte retrieval (IVF+ICSI), or before embryo transfer (donation/thaw cycles)
- If treatment is modified or canceled, the price may vary at the specialist's discretion.
- To begin a new treatment, the previous one must be fully paid.

- **Frozen embryo storage, pregnancy tests, and post-treatment ultrasounds are not included in the treatment price and will be billed separately.**
- **Payments can be made via bank transfer to:  
FIV CENTER IBAN ES08-2080-3501-58-3040218650**
- **For any questions or clarifications, please contact the administration staff.**
